

MGRR - Invited British Category 2024

Aim:

To include with the MG Racing Register category other British Sports cars to enhance and complement the competition and create greater levels of interest for the spectators, with rules which are both aligned, as far as possible, with the existing MGRR rules and which reflect the specific requirements of the IB Category.

A. Qualifications:

1. Entry Criteria

Submissions for inclusion in this category must satisfy the following conditions:-

- a. Pre-1990 British Sports car-
 - i. A Sports Car is defined as a registrable production sports car designed for spirited performance and nimble handling.
 - ii. A British car manufactured in Britain by a British manufacturer. The manufacturing company must be of British heritage.
- b. Cars of mixed international manufacturers (Ford – Lotus) will not be considered.
- c. Cars of mixed British manufactures will be considered (TVR)
- d. Specifically manufactured or “one off” high-performance race cars that do not fit with the historical image will not be accepted.
- e. Engines must be from the same British family as the car e.g. British Leyland

2. Modifications

- a. Pre 1990 British Sports cars can be enhanced to improve competitiveness in this class. Enhancement can include safety improvements, engine modifications, body and suspension improvements and any modifications that were introduced in manufacturer’s competition departments.

3. Accepted British Manufacturers

- Triumph ▪ Austin Healey
- Rover ▪ Jaguar
- Morris ▪ TVR
- Sunbeam ▪ Lotus
- Jenson ▪ Morgan
- Daimler ▪ Aston Martin
- Jenson-Healey

4. ***Inclusion By Invitation:*** The MG Racing Australia Committee may, at its absolute discretion, invite vehicles which do not meet all of the above criteria to compete in the IBS category.
